FOR IMMEDIATE RELEASE

V-COMM NAMED TOP CONSULTANT OF 2016

Cranbury, NJ (July 15, 2016)—V-COMM, an industry-leading telecommunications engineering firm, has been nominated and named by readers as one of the top consultants of 2016, according to RadioResource Media Group’s *MissionCritical Communications* magazine.

V-COMM, now in its twentieth year of operation, has been nominated previously as one of *MissionCritical*’s top 21 consultants.

“We are honored to earn this distinction amongst V-COMM’s clients and RadioResource’s readers,” said V-COMM president Dominic Villecco. “We always strive to deliver high-quality and high-performance network solutions. Receiving this recognition again in our industry and from our community is very rewarding.”

V-COMM is a leading provider of network engineering, radio frequency engineering and related business services, with offices in Cranbury, New Jersey and Exton, PA. V-COMM delivers the needed expertise and cost-effective solutions to governmental agencies, wireless operators and commercial entities. V-COMM also provides design and design/build services for In-building, In-tunnel and other wireless telecommunications networks. For more information, visit our website www.vcomm-eng.com.

MissionCritical’s Top Consultants issue is now available in print and [online](#).
